

the isle of wight computer geek

I'm A Nerd, Which Means You Don't Have to Be!

Website Design, SEO & Computer Repairs - Tel 07840 698791

24 Hour Mobile Computer Repairs - Isle Of Wight

- **Home Collection and Delivery Service - No Extra Charge**
- **Fully Insured - Business and Domestic References**
- **Service Visits, Island Wide, Day or Night, 7 Days a Week**

In addition to offering hardware diagnostics and repair and troubleshooting services to both domestic and business customers I can also assist with:

Windows operating system errors, file corruption issues, data recovery ie recovering deleted or lost data from crashed hard drives or other media. Virus and spyware removal and prevention. Copying data from one hard drive to another, the best way to replace or upgrade your hard disk without reinstalling Windows, drivers, updates and all your programs and files.

PC installation and help setting up a new computer or laptop, just give me a call and I'll help with connecting it all up, getting you online and transferring all of your files and settings from the old computer to the new one if required.

If you need help with a hardware upgrade, whether it's a major motherboard or processor change a quick memory upgrade just give me a call.

I can also provide assistance with installing software, setting up wireless home networks, teaching and training, speeding up slow computers, hard disk cleaning, safe internet use and computer security advice.

Contact me anytime with your questions, problems and queries.
